Dear Ann Martino:

The New York State Department of Economic Development, Division of Minority and Women's Business Development (DMWBD), pursuant to Article 15-A of the Executive Law, has extended the certification period from three (3) to five (5) years for all currently certified NYS MWBEs.

Therefore, we are pleased to inform you, that Corporate Computer Solutions, Inc., currently certified as a Women Business Enterprise (WBE), **will remain certified until July 31, 2023**, and your business will continue to be listed in the NYS State's Directory of Certified Firms, with the codes listed on the following page. DMWBD will notify you when your business should submit its application for recertification. Please be sure to submit a recertification application prior your certification expiration date.

Please remember that any changes in your business that affect ownership, managerial and/or operational control, must be reported to DMWBD within thirty (30) days of such changes; including changes to business name, business address, telephone numbers, ownership, and/or principal products/services. If your certification is questioned by any public or private entity, please direct the inquiry to DMWBD for clarification.

Thank you for your cooperation. On behalf of the State of New York, we wish you success in your business endeavors.

Sincerely,
