Bids were examined and all due diligence observed in determining the lowest responsive and responsible bidder.

CIP10812 includes the renovation of 8 former shop rooms into 10 SED standard classrooms, refurbished lighting in 6 stairwells, welding & painting the chimneys, sidewalk replacement outside the Arena and new roofing over the Music Room. The work was designed by Sammel Architects (CPL Architecture).

Bertussi was the sole bidder for Contract 3 of 4 HVAC. After interviewing the apparent low bidder and confirming that they understood the scope of work, bids were found to be correct. Schools Facilities Management are recommending the award of the subject contract to Bertussi Contracting, Inc. The work was designed by Sammel Architects (CPL Architecture) and the HVAC work was estimated to be approximately \$44,708.
