Vendor Name:	Motorola Solutions - Rave Mobile Safety
Term/Duration of Contract:	60 month term beginning on 7/1/2024
Amount of Contract:	278,750
Account: (general fund, grant, capital)	450.5141.100000.2021.B2300 (pending 2024-2025 adopted budget)
Scope/Services:	Rave Panic Button will integrate directly into Motorola’s Aware System, which YPD centrally manages. DoIT recommends procuring the Rave Panic Button as an add-on to our existing Motorola Contract as a joint service between COY and BOE. The integration will limit the impact of emergencies by providing actionable information to all parties in real time by connecting users with 911, displaying additional data and chat tools to first responders and call takers, and launching smart notifications to key stakeholders. The joint services will reduce DoIT maintenance costs and improve YPD’s emergency response time
Form of Procurement Undertaken: (GML 103-competitive sealed bidding; GML 104b-not subject to competitive sealed bidding)	GML104b
Manager and Department Requesting Services:	Brian Schulder - Safety and Security
