## **PROPOSAL FOR YONKERS SCHOOL DISTRICT / SCHOOL 17**

The Westchester Sandbox Theatre, an educational theatre organization, will provide onsite art enrichment classes to students in School 17. Instruction will be focused on aspects of the performing arts: drama, music, improvisation, public speaking, storytelling, and dance.

Four artists per school day will run classes for the extended learning program at School 17. In addition to classes, two showcases will be presented during the school year; these showcases will give the students an opportunity to show off the work they have done in the arts classes.

The program will run for the entirety of the 2023-24 school year.

Compensation will be in the amount \$500 per instruction day. There will be 178 instruction days throughout the year. Additionally, there will be a \$70 per instruction day charge for administration. The Westchester Sandbox Theatre will offer a discount in the amount of \$1460. Therefore, the total cost of this program will be \$100,000.
